*It's easy to think
comparison drives growth.*

*But competing with others
can quietly erode your peace.*

*Let others inspire you,
not unsettle you.*

*Let their light remind you
of your own.*

A person is walking away from the camera on a dirt path that winds through a hazy, mountainous landscape. The path is flanked by tall grass and shrubs. The background shows rolling hills and mountains under a soft, hazy sky. The overall mood is contemplative and serene.

*Your path doesn't need
to match anyone else's.*

*Your pace doesn't need
permission.*

A painting of a winding stone path through a green valley. The path is made of large, cracked stones and leads from the foreground into the distance. The valley is lush with green grass and some small flowers. In the background, there are rolling hills and mountains. The sky is a mix of blue and yellow, with large, fluffy clouds. A large, bright sun is in the upper left, and a full moon is in the upper right. The overall mood is peaceful and contemplative.

*The sky holds
both sun and moon,
never at once,
yet both are needed.*

A person with short dark hair, wearing a dark coat, stands with their back to the viewer in a vast field of yellow wildflowers. The field is filled with various types of wildflowers, including yellow daisies and white ones. In the background, there are tall evergreen trees on either side, and a range of misty, green mountains under a soft, hazy sky. The overall mood is peaceful and contemplative.

*Stay with yourself.
You're exactly where
you're meant to be.*
