Love isn't only
found in romance.

Sometimes it's
found in presence

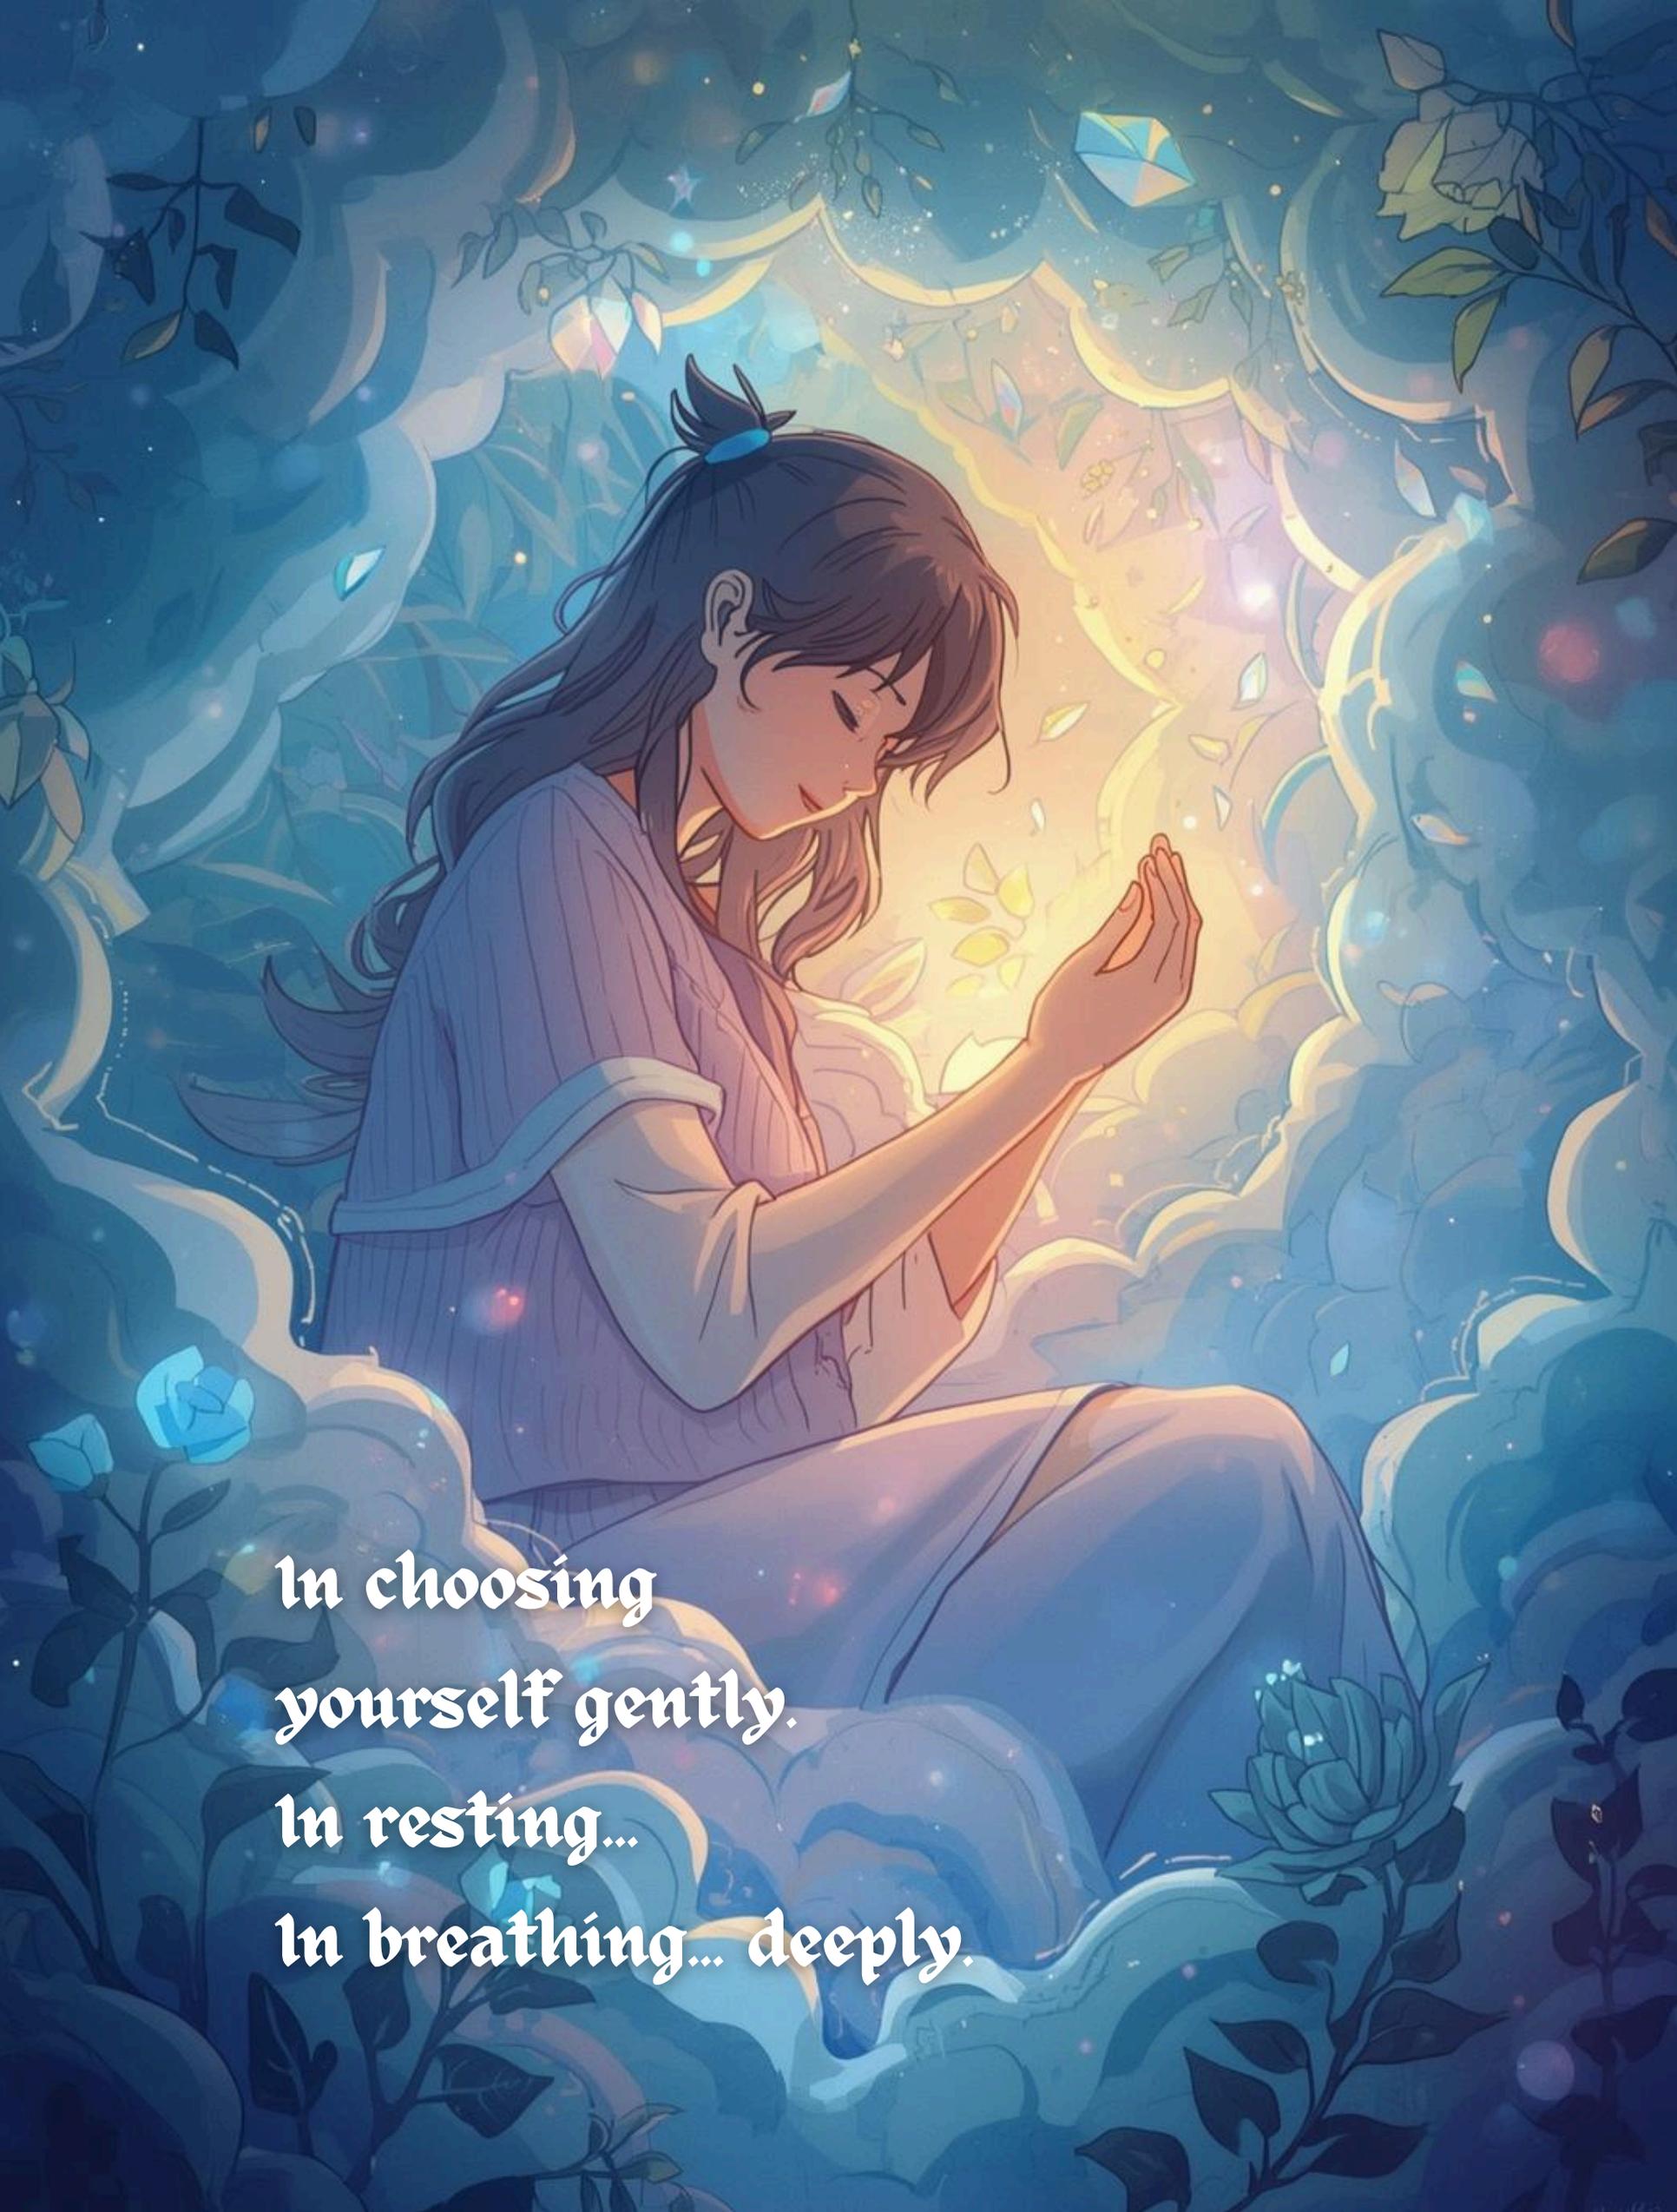

**In the friend
who listens.**

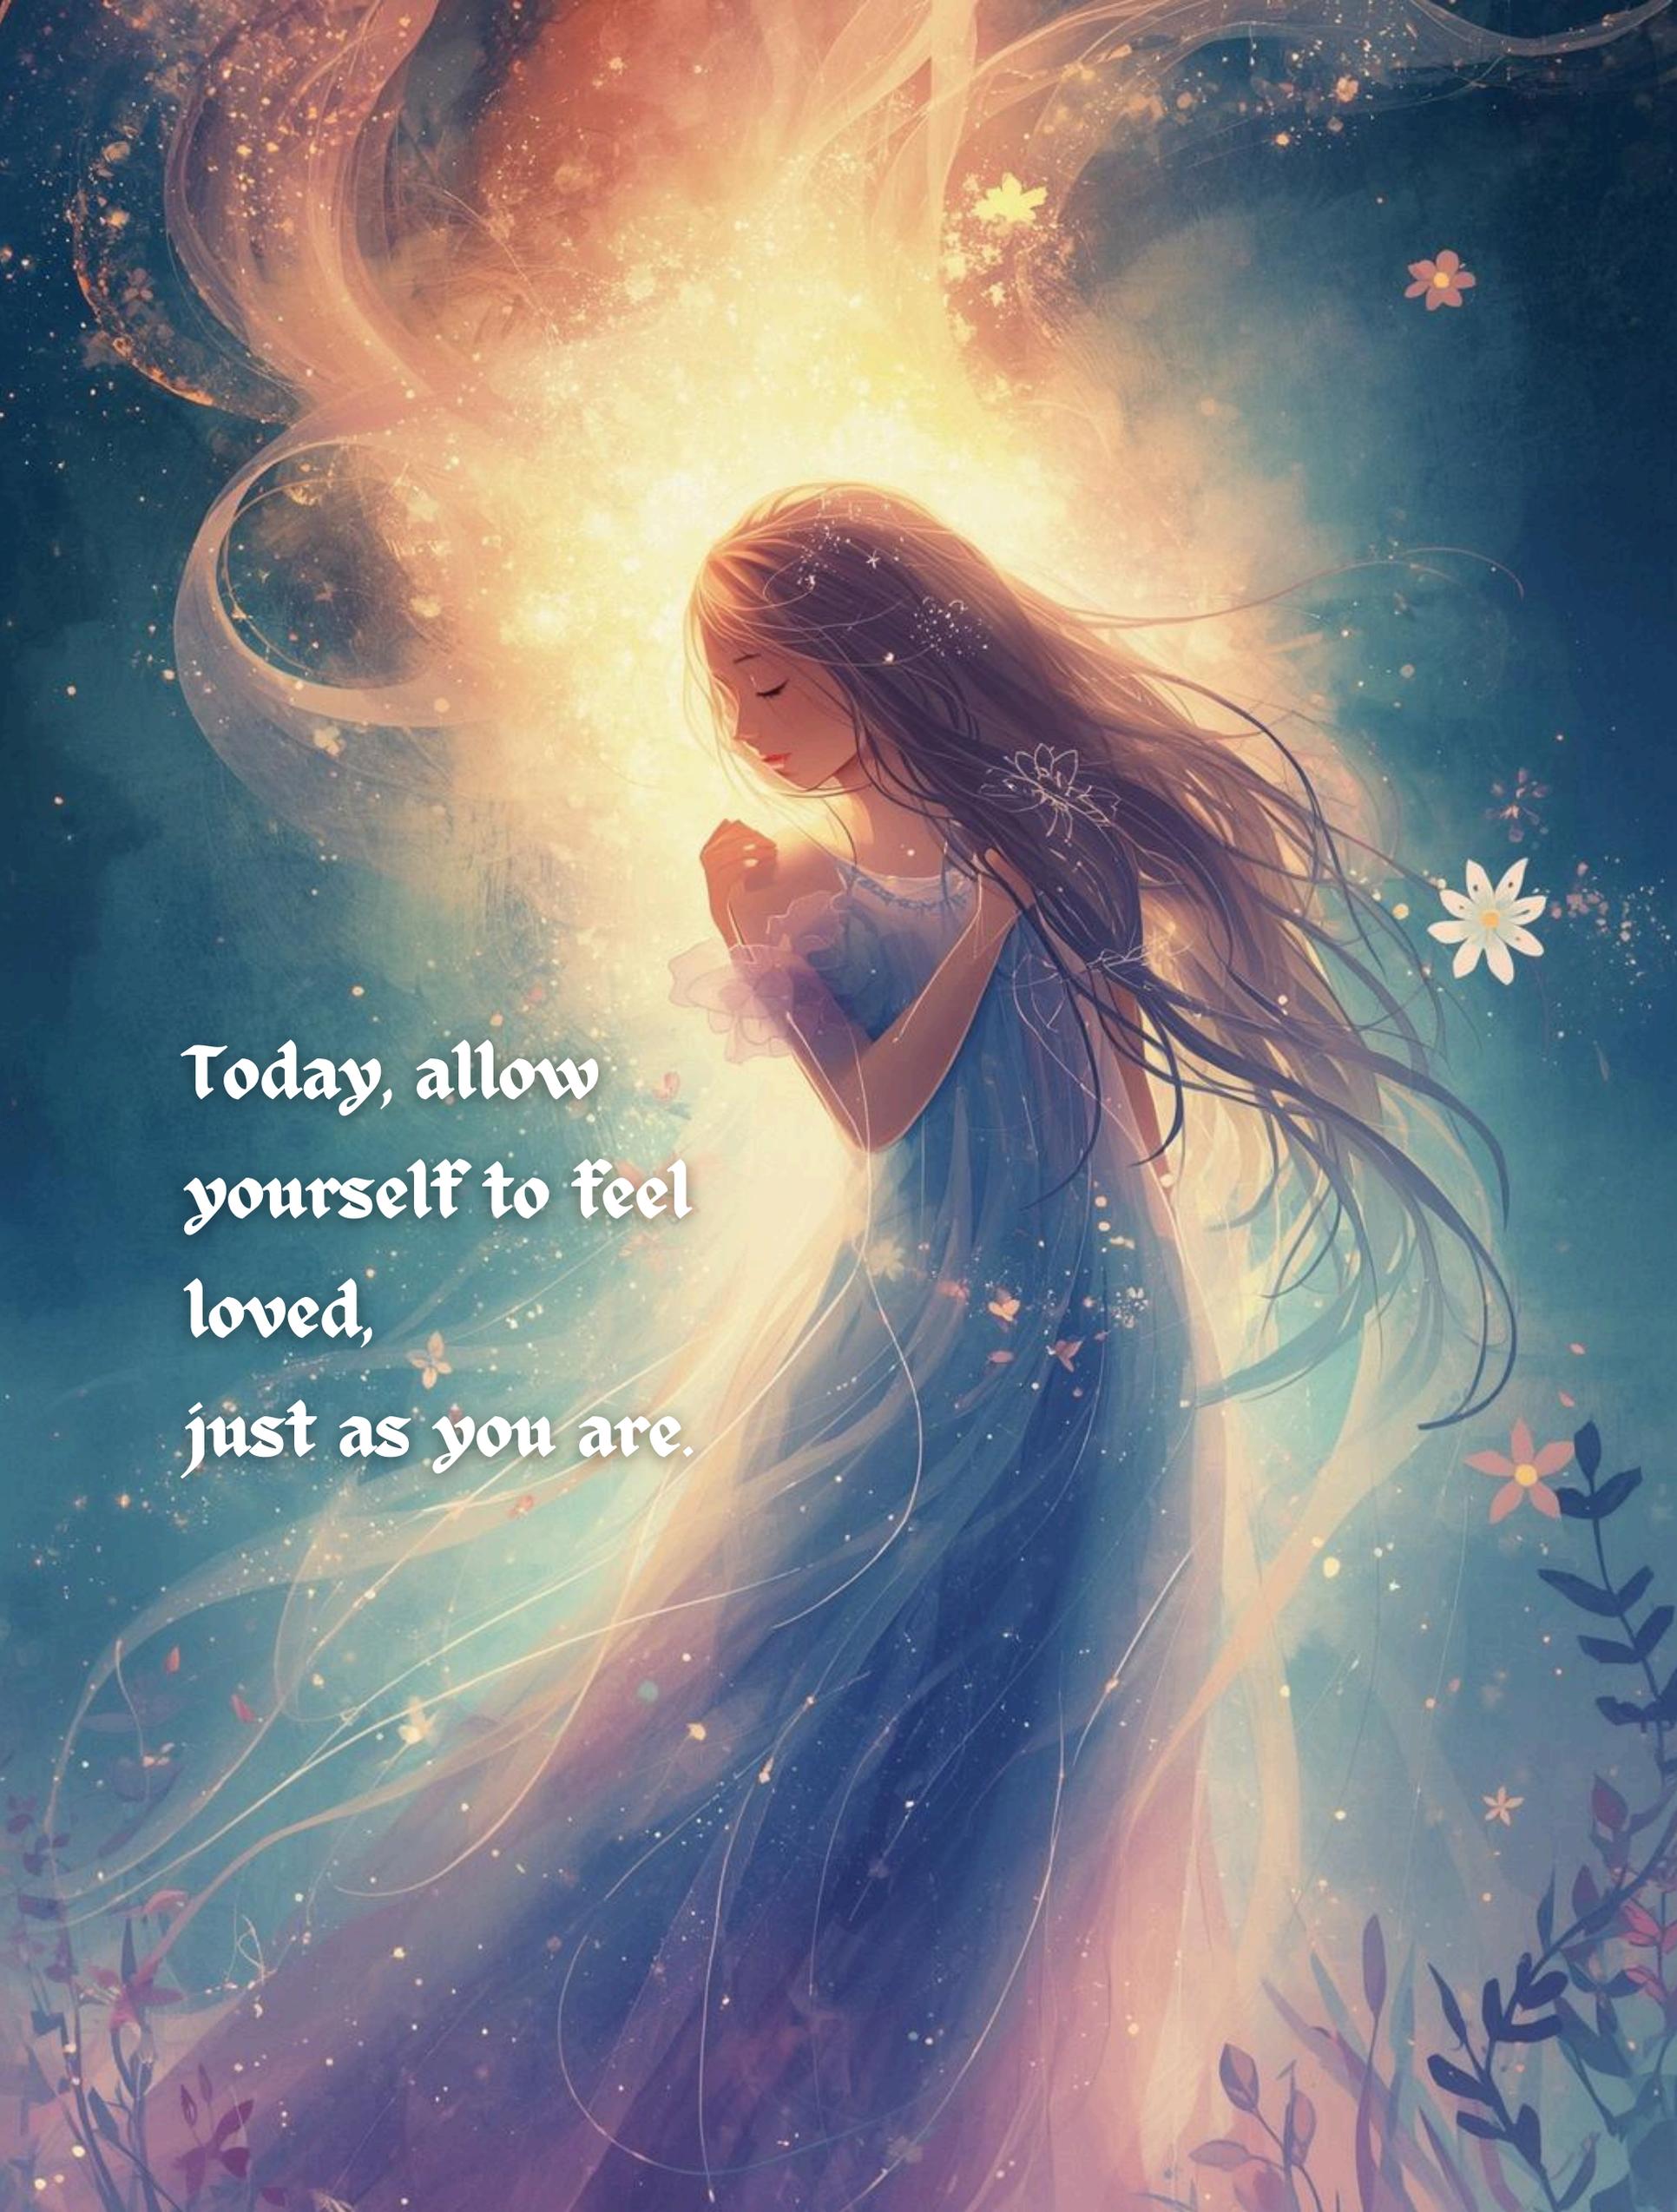

**In the family
who shows
up.**

**In the pet
who waits at
the door.**

A woman with long dark hair, wearing a purple dress, is sitting in a lush, magical garden. She is looking down at her hands, which are held together in a prayer-like gesture. The garden is filled with various flowers, including roses, and the overall atmosphere is serene and ethereal. The lighting is a mix of soft purples and blues, with a warm glow emanating from the orb.
